CASE COUNT CORRECTION

(Boonville, MO) The Cooper County Public Health Center has been notified that there was a data reporting error and the case that was labeled case 4 is actually **negative**. That leaves Cooper County at just three cases. The individual has been notified of the data error.

The Cooper County Public Health Center has taken and will continue to take the necessary precautions to keep our community safe and will continue to diligently monitor the COVID-19 situation as it evolves by following the CDC guidelines to protect public health and limit spread of this infection.

Thank you very much.
