

**MISSOURI DEPARTMENT of
ECONOMIC DEVELOPMENT**
Helping Missourians Prosper

Missouri state agencies are working tirelessly to provide Missourians with necessary information and resources to help them navigate these ever-changing times.

To ensure that our message and resources reach more Missouri business owners, we encourage you to share our testing information with your own followers on

social media. You can view the testing page at <http://ShowMeStrong.mo.gov/testing-resources>.

Together, we can connect citizens, business owners, and communities with the resources needed to keep their businesses open and communities thriving. These resources will help ensure the safety of Missourians as we increasingly engage in economic activity.

Sincerely,

Rob Dixon
Director

Missouri Department of Economic Development
